Products Features:

- LY-G8 belongs to a bigger space enclosed mini-bus. In terms of appearance, it is still a familiar design style.
- The front face adopts a silver grille, the interior is horizontally chrome plated, and is connected with the lights on both sides. The whole front face looks more atmospheric.
- From the side, there are very obvious through lines, which increase the length of vision, and the closed model is adopted, which increases the feeling of safety, and 15 inch tires are used.
- In terms of the tail, the closed design is also adopted, showing a feeling of narrow at the top and wide at the bottom. The overall design of the tail is regular.
